

Sustainability and Responsible Sourcing

Sustainable Procurement Policy

Our suppliers, together with Momentive, have a critical role in delivering sustainable solutions that will benefit the planet.

- Momentive’s goal is to reduce the environmental impact of our operations and products across our value chain through social, economic and environmentally sustainable actions and solutions.
- Momentive will source responsibly, and will take into account sustainability aspects when selecting our materials, goods and services suppliers.
- We will work with our suppliers to measure and improve their sustainability practices in order to meet our sustainability goals while also delivering value to the business and our customers.
- Momentive strives to have all suppliers comply with Momentive’s Supplier Code of Conduct. Momentive seeks to do business with suppliers sharing and supporting the standards set in the Supplier Code of Conduct.
